1. Introduction

College is committed to equality of opportunity for all staff and students irrespective of gender, civil status, family status, sexual orientation, religious belief, age, disability, nationality or ethnic or national origin, or membership of the travelling community.

The concept of equality is central to the shared values and ethos of the Open Training College.

The principles and practice of equality are intrinsic to the way we conduct our business and working relationships and the shared values we hold.

2. Purpose

Equality in Student Life

OTC recognises and implements the philosophy that equality of treatment in the College educational environment is a fundamental right. To this end College endeavours to devise and implement procedures which will ensure that no student or potential student will receive less favourable treatment than any other because of age (subject to Colleges regulations in regard to minimum age of entry), nationality or ethnic or national origin, gender, civil status, family status, disability, religious belief, sexual orientation, or membership of the traveller community.

The objectives of this policy are:

- To ensure that all staff are aware of their responsibilities as tutors, assessors, administrators, managers, and representatives of the College under the provisions of national legislation and the policies of the College.
- To ensure that all applicants to the College are treated fairly and in accordance with published policies and procedures and have equality of access to programme and services.
- To ensure that the College affords all students an equal opportunity to develop their full potential; the policies, procedures and practices of the College in relation to teaching, learning and assessment will seek to ensure equality of opportunity for all students and, as far as is practicable, practices will conform with the published procedures of the College.
