

Dear Colleagues,

OPEN DAY

A popular event takes place this Tuesday, Sept 6th, for people wishing to learn more about *What Social Care Workers do, and how to become one*. Please see details below about registering for this short and engaging zoom session.

We have plenty of course opportunities for you this Autumn with many currently hitting their application deadlines. I have broken out the list for you into two main areas, social care and management, for easy scanning!

I also include a link to this month's intriguing leadership blog - *How Managers Improve Team Performance Through Leadership Learning*

Please don't miss out on some cutting edge training and education opportunities taking place this September and October. Remember, the OTC is of the sector, for the sector!
