Dear Colleague,

The Open Training College is seeking:

- **Programme Coordinator**

to oversee the delivery of a Level 5, QQI qualification that will be rolled out in the Kildare region over the next 12-18 months. Would you or a colleague be interested? Please see more information [HERE](#).

Final call for places on our QQI, Special Purpose, level 7 course, Patient Safety Complaints Advocacy.

The Patient Safety Complaints Advocacy course is intended for people who will be working as advocates for patients wishing to make complaints about the service they or a family member has received from state-funded health or social services. Those participating in the course may be employees of the new independent Patient Safety and Complaints Advocacy Service or may be working as Patient Advocates within the HSE.

Final applications this week. More information [HERE](#)

Best wishes,
 Conor & the OTC Team
