Regulating Health +
Social Care Professionals

Dear Subscriber,

We are currently very close to reaching our quota of Social Care degree applications and urge you to make your application at your earliest convenience in order to avoid the disappointment of missing out on an offer.

The College will also operate a wait list for those who apply after the quota has been reached. Wait list places may be offered if cancellations are received from other applicants who refuse an offer in the coming months.

QAI AWARD

Many thanks for your interest in the OTC (Open Training College) and the Social Care courses scheduled to commence in September. We are an award winning, independent third level college and have upskilled thousands of students since 1992 and hope that you will become one of our graduates in time to come also.

We are delighted to inform you that the CORU Social Care Worker Registration Board has approved the OTC BA in Social Care as suitable for the education of Social Care Workers who can register with CORU when the register opens in November 2023.

Please find information below about the BA in Social Care course application process. More course content information is available [HERE](#) on the course web page.

The OTC is of the sector, for the sector!

Best wishes,
Conor
