

Dear Colleagues,

It has been our privilege to receive over 70 online applications so far from people seeking places on our level 7, CORU approved, Social Care degree, designed for social care workers. When the target of 95 applications is reached, the College will temporarily close the online application centre in order to administer these applications thoroughly, in preparation for interviews scheduled in Dublin on May 24th. We urge all interested people to make their online application as soon as possible to enhance their chance of being offered a place on the course and avoid disappointment.
