

# CERTIFICATE IN HUMAN SERVICE MANAGER SKILLS

Dear Colleagues,

**Just a quick message to alert you that our next PIC management course will commence in a few weeks, as the last one sold out!**

The OTC is delighted to announce that we are now enrolling frontline managers (and those aspiring to be frontline managers) on our new management micro-credential course - the [Certificate in Human Service Manager Skills](#) - which is a Special Purpose QQI Award at Level 6.

This is a short online course that is perfect for those in PIC or PPIM roles, and meets the HIQA compliance standard requiring that all frontline managers possess a management qualification. As you would expect from the OTC, this course is delivered by tutors with actual frontline experience and the course assignments tackle issues that students are likely to face in the workplace.

Course features:

- Delivered online and totally flexible
- Only two online zoom workshops to attend throughout the course
- Flexible, user-friendly online interface for daily interactions
- Price per participant for this two-module, QQI award is €599

Please be reminded, the last course sold out!

Online applications are due by November 20th.
